

TVRA Net Procedure

QST, QST, QST, This is _____ (Call) My name is _____. I am the net control for this session of the Treasure Valley Radio Assn. 2 meter net. This net meets weekly at 7:30 PM every Tuesday evening. All check-ins are welcome and all amateurs are invited to join in. The purpose of the net is to inform members of any events or news and allow anyone to express their views on any subject regarding our hobby. It also provides experience in net operations and emergency operating procedures.

This is a directed net - please address all comments to the net control. When checking in, please give your call sign using phonetics, followed by your first name and location.

Is there any Emergency traffic for the Net?

Are there any bulletins or announcements for the net?

This is _____ (Call) your net control. I will open the net and invite any mobile stations and early check-ins for anyone needing to leave early, please come now. *(Only acknowledge each station as they check-in at this time).*

I will now take check-ins:

All amateurs with a call suffix beginning A thru I, come now please:

All amateurs with a call suffix beginning J thru R, come now please:

All amateurs with a call suffix beginning S thru Z, come now please:

That complete the roll call is there any late check-in at this time.

This is _____ (Call) your net control. This completes the formal portion of the net. I will now call on stations to express their views on any topic of their choosing.

(net controls may call on any stations that checked in for comments or open up the session for general comments but keep the net under control at all times)

This is _____ (Call) your net control. I will now take any late check-ins.

CLOSING

Would anyone like to list any amateur equipment for Sale or Trade?

Is there any other business for the TVRA net?

I would invite anyone wishing more information on the Treasure Valley Radio Association to visit our web site at www.k7oji.org. I wish to thank everyone for checking in this evening. I now close this session of the TVRA 2 meter net and return the repeater to normal use.

This is _____ (Call) signing off, Good Evening.
